In the event of subsequent statutory amendment or Budget Act language to W&I Code Section 16900 et seq., the amended statute shall be controlling.
(W&I Code Section 16980 (a))

As a condition of receiving CHIP funds, the County assures that:

2. (a) As a condition of receiving CHIP funds, it will provide, or arrange and pay for, medically necessary follow-up treatment, including prescription drugs and necessary follow-up dental treatment at least equal in scope and frequency to dental services available to Medi-Cal eligible children of the same age, for any condition detected as part of a Child Health and Disability Prevention (CHDP) screen for any child eligible for services under Section 104395 of the Health and Safety Code, if the child was screened by the County, or upon referral by a CHDP Program provider, unless the child is eligible to receive care with no share of cost under the Medi-Cal Program, or is covered under another publicly funded program, or the services are payable under private insurance coverage.
